AUTHOR'S CONTRACT

Authorship and Copyright Assignment Agreement

in respect of the work **Huru SMS – Multichannel SMS and Web Citizen Information and Guidance System for Tanzania, version 1.0**

THIS AGREEMENT is made on the _____ (day) day of _____ (month) 2026

BETWEEN

HURU DIGITAL CO. LTD., a company incorporated under the Companies Act, Cap. 212 of the Laws of Tanzania, with registration number _____ (company registration no.), of P.O. Box _____ (P.O. Box), _____ (city / region), United Republic of Tanzania, represented by its duly authorised director (the "**Company**"), of the one part;

AND

_____ (full name of the author), an individual of _____ (nationality) nationality, holder of National Identification Number (NIN) _____ (NIN), of P.O. Box _____ (P.O. Box), _____ (city / region), United Republic of Tanzania (the "**Author**"), of the other part.

RECITALS

A. The Author conceived and originated the idea, concept, name and written content of the work known as **Huru SMS**, a digital service that lets any person in Tanzania ask a question on any everyday matter by SMS (keyword HURU to shortcode 15054) or through a web chat and receive a short, practical answer in Kiswahili or English grounded in verified Tanzanian context (the "Work").

B. The Company intends to own all rights in the Work, to exploit it commercially and for the public benefit, and to register it in its own name with the Copyright Society of Tanzania (COSOTA) under the Copyright and Neighbouring Rights Act, Cap. 218 of the Laws of Tanzania.

C. The Author's contribution was made for the Company and, to the extent that it was not already made under a contract of employment or commission with the Company, the parties wish to record in writing the assignment of all economic rights in that contribution to the Company, together with the terms on which it was made.

NOW THEREFORE IT IS AGREED as follows:

1. Definitions

In this Agreement: "**Work**" means Huru SMS – Multichannel SMS and Web Citizen Information and Guidance System for Tanzania, version 1.0, including all versions, source code, object code, databases, designs, texts, images, documentation and other materials forming part of it, as described in the Innovation Documentation, the System Design and Architecture document and the Source Code Listing deposited with COSOTA; "**Contribution**" means every part of the Work created by the Author as described in Clause 2 and the Schedule; "**Economic Rights**" means all rights of reproduction, translation, adaptation, arrangement, distribution, rental, public display, communication to the public, making available and any other right of exploitation conferred by the Copyright and Neighbouring Rights Act, Cap. 218, or by the law of any other country; "**Moral Rights**" means the right to claim authorship and the right to object to distortion or modification of the Work.

2. The Contribution

The Author confirms having created the following for the Company:

2.1 The original idea and purpose of the Work: a Tanzania-aware information and guidance service reachable from any mobile phone, for every citizen and every everyday topic.

2.2 The name and title of the Work, "Huru SMS", and the keyword-based SMS service design (the word HURU followed by a question, sent to shortcode 15054, with service commands such as MSAADA, LUGHA, JINA, MKOA, ACHA and ANZA).

2.3 The functional concept described in the Innovation Documentation: topic detection, Tanzanian context, location awareness, verified knowledge first, bilingual replies, emergency handling and operator control.

2.4 All written content of the Work in Kiswahili and English, including service messages, help texts, knowledge base entries, persona texts, the terms and conditions, the privacy policy and the website texts.

2.5 The documentation of the Work, including the Innovation Documentation and the explanatory texts of the System Design and Architecture document.

The Contribution is embodied in the Innovation Documentation, the written content reproduced in the source code listing (database seeders, views and language texts) and the texts of the System Design and Architecture document, copies of which have been delivered to the Company.

3. Engagement and period

The Contribution was made between _____ (start month / year) and _____ (end month / year) at the request of and for the Company. The Author was at the material time _____ (e.g. director / employee / shareholder / contractor) of the Company.

4. Consideration

In consideration of the assignment and undertakings in this Agreement the Company has paid or shall pay to the Author (tick and complete as applicable):

1. ☐ the sum of Tanzanian Shillings _____ (TZS _____), receipt of which the Author acknowledges; and/or
   (amount in words) (amount)
2. ☐ the remuneration and benefits received by the Author as an employee, director or shareholder of the Company, which the parties agree is full and adequate consideration; and/or
3. ☐ other: _____ .
   (describe)

5. Assignment of copyright

5.1 The Author hereby assigns to the Company, absolutely and with full title guarantee, all Economic Rights and all other intellectual property rights in the Contribution and in the Work, throughout the world, for the whole term of copyright including all renewals, extensions and reversions, and including the right to sue for and recover damages for past infringements.

5.2 To the extent that any part of the Contribution was created under a contract of employment with, or on commission from, the Company, the parties confirm that the Economic Rights in it vested in the Company from creation in accordance with the Copyright and Neighbouring Rights Act, Cap. 218, and this Clause operates as confirmation of that vesting.

5.3 The Company may register, license, assign, adapt, translate, modify, combine with other works, and exploit the Work in any manner and medium, now known or later devised, without further consent of or payment to the Author.

5.4 Any part of the Contribution that cannot be assigned under applicable law is hereby licensed to the Company exclusively, irrevocably, worldwide, royalty-free and for the full term of protection.

6. Moral rights

The Author retains the Moral Rights that the law does not permit to be assigned. The Author agrees (a) to be identified as the Author of the Contribution in the COSOTA register and in formal documentation, and (b) not to assert any Moral Right so as to prevent or restrict the Company's modification, adaptation, translation, combination or exploitation of the Work in the ordinary course of its business, and waives any such right to the extent permitted by law.

7. Warranties

The Author warrants that: (a) the Contribution is the Author's own original work, except for third-party material identified in writing to the Company; (b) the Contribution does not infringe the copyright or other rights of any person; (c) Author has not previously assigned, licensed or encumbered any right in the Contribution and has full power to enter into this Agreement; (d) to the

Author's knowledge no other person is entitled to claim authorship of or rights in the Contribution; and (e) the information given in this Agreement and in the COSOTA application is true.

8. Confidentiality

The Author shall keep confidential, and shall not use or disclose except for the Company's purposes, all non-public information about the Work, its source code, configuration, keys, data, users and business plans, during and after the term of this Agreement.

9. Further assurance

The Author shall, at the Company's request and expense, sign all documents and do all things reasonably required to register, confirm, protect or enforce the Company's rights in the Work before COSOTA, the Business Registrations and Licensing Agency, or any authority or court in Tanzania or elsewhere, and hereby appoints the Company as attorney to sign such documents in the Author's name if the Author fails to do so within fourteen (14) days of a written request.

10. Identification as author

The Author shall be named as the author of the idea and written content of the Work in the application for registration at the Copyright Society of Tanzania (COSOTA) and in any other registration of the Work. The Company may publish, distribute and exploit the Work with or without naming the Author on the product itself, provided that the Author's authorship is not denied.

11. Development of the idea

The Author acknowledges that the Company has engaged, and may in future engage, other persons to design, develop, maintain, translate, adapt and extend the Work, and that all such derivative and further works belong to the Company.

12. Governing law and disputes

This Agreement is governed by the laws of the United Republic of Tanzania. Any dispute arising out of or in connection with it shall first be referred to the parties' amicable discussion for thirty (30) days; failing settlement, it shall be referred to arbitration in accordance with the Arbitration Act, 2020 of Tanzania, by a single arbitrator sitting at _____ (city), or, if the parties so agree, to the courts of Tanzania.

13. General

This Agreement is the entire agreement between the parties on its subject matter and supersedes any earlier understanding. It may be varied only in writing signed by both parties. If any provision is held invalid, the remainder continues in force. It may be signed in counterparts, each of which is an original. Notices shall be in writing to the addresses above.

IN WITNESS WHEREOF the parties have signed this Agreement on the date first written above.

SCHEDULE – Description of the Work and the Contribution

Title of the Work: Huru SMS

Full description: Huru SMS – Multichannel SMS and Web Citizen Information and Guidance System for Tanzania, version 1.0. A multichannel digital service through which any person in Tanzania asks a question in Kiswahili or English by SMS (the keyword HURU followed by the question, sent to shortcode 15054) or through a web chat, and receives a short, practical answer grounded in Tanzanian law, institutions, places and verified knowledge, with referral to nearby services and official contacts. The Work comprises the server application (PHP / Laravel), its database design, the web chat and public website, the administration panel, the written content in both languages, the visual designs, and the accompanying documentation.

Owner and applicant: HURU DIGITAL CO. LTD.

Version: 1.0 **Year of completion:** 2026 **Country of origin:** United Republic of Tanzania

Documents deposited with COSOTA: Innovation Documentation; System Design and Architecture (with screenshots); Source Code Listing (112 files, 7,991 lines, 188 pages); the source code archive.

Contribution of the Author (summary of Clause 2):

2.1 The original idea and purpose of the Work: a Tanzania-aware information and guidance service reachable from any mobile phone, for every citizen and every everyday topic.

2.2 The name and title of the Work, "Huru SMS", and the keyword-based SMS service design (the word HURU followed by a question, sent to shortcode 15054, with service commands such as MSAADA, LUGHA, JINA, MKOA, ACHA and ANZA).

2.3 The functional concept described in the Innovation Documentation: topic detection, Tanzanian context, location awareness, verified knowledge first, bilingual replies, emergency handling and operator control.

2.4 All written content of the Work in Kiswahili and English, including service messages, help texts, knowledge base entries, persona texts, the terms and conditions, the privacy policy and the website texts.

2.5 The documentation of the Work, including the Innovation Documentation and the explanatory texts of the System Design and Architecture document.

Other contributors to the Work (each under a separate contract with the Company): the author of the idea and written content; the creator of the designs; the developer of the software.
