CREATOR'S CONTRACT

Creative Work and Copyright Assignment Agreement

in respect of the work **Huru SMS – Multichannel SMS and Web Citizen Information and Guidance System for Tanzania, version 1.0**

THIS AGREEMENT is made on the **12th day of October 2026** at **Dar es Salaam**

BETWEEN

HURU DIGITAL LIMITED, a company incorporated on 4 May 2021 under the Companies Act, Cap. 212 of the Laws of Tanzania, with registration number **151790429**, of **Mlalakuwa Street, Makongo Ward, Kinondoni District**, P.O. Box **75290**, **Dar es Salaam**, United Republic of Tanzania, represented by its Managing Director, **IBRAHIM FRANK NDUNGURU** (the "**Company**"), of the one part;

AND

MICHAEL SIMON KILUNGA, an individual of **Tanzanian** nationality, holder of National Identification Number (NIN) **19991208-37305-00002-27**, of P.O. Box **75290**, **Dar es Salaam**, United Republic of Tanzania (the "**Creator**"), of the other part.

RECITALS

A. The Creator created the user experience, interface designs, visual identity and conversation design of the work known as **Huru SMS**, a digital service that lets any person in Tanzania ask a question on any everyday matter by SMS (keyword HURU to shortcode 15054) or through a web chat and receive a short, practical answer in Kiswahili or English (the "Work").

B. The Company intends to own all rights in the Work, to exploit it commercially and for the public benefit, and to register it in its own name with the Copyright Society of Tanzania (COSOTA) under the Copyright and Neighbouring Rights Act, Cap. 218 of the Laws of Tanzania.

C. The Creator's contribution was made for the Company and, to the extent that it was not already made under a contract of employment or commission with the Company, the parties wish to record in writing the assignment of all economic rights in that contribution to the Company, together with the terms on which it was made.

NOW THEREFORE IT IS AGREED as follows:

1. Definitions

In this Agreement: "**Work**" means Huru SMS – Multichannel SMS and Web Citizen Information and Guidance System for Tanzania, version 1.0, including all versions, source code, object code, databases, designs, texts, images, documentation and other materials forming part of it, as described in the Innovation Documentation, the System Design and Architecture document and the Source Code Listing deposited with COSOTA; "**Contribution**" means every part of the Work created by the Creator as described in Clause 2 and the Schedule; "**Economic Rights**" means all rights of reproduction, translation, adaptation, arrangement, distribution, rental, public display, communication to the public, making available and any other right of exploitation conferred by the Copyright and Neighbouring Rights Act, Cap. 218, or by the law of any other country; "**Moral Rights**" means the right to claim authorship and the right to object to distortion or modification of the Work.

2. The Contribution

The Creator confirms having created the following for the Company:

2.1 The user interface designs and screen layouts of the web chat, the public website, the offline page and the administration panel, including their arrangement, colour scheme (green and blue), typography and icons.

2.2 The visual identity of the Work, including the logo, the application icon, the social sharing image and the installable application manifest.

2.3 The design of the SMS conversation: the structure and wording of commands, confirmations, warnings and help messages, and the rules for short replies on basic phones.

2.4 The persona templates that define the tone, behaviour and safety rules of the service per topic and language, and the structure of the instructions assembled for each reply.

2.5 The diagrams, figures and illustrations in the System Design and Architecture document and the presentation of the Innovation Documentation.

The Contribution is embodied in the view templates, stylesheets, logo and image files reproduced in the source code listing, the persona seed data, and the figures of the System Design and Architecture document, copies of which have been delivered to the Company.

3. Engagement and period

The Contribution was made **during the year 2026, the Work being completed in October 2026**, at the request of and for the Company. The Creator was at the material time **engaged by the Company as the creator of the designs and the developer of the software**.

4. Consideration

In consideration of the assignment and undertakings in this Agreement the Company has paid or shall pay to the Creator:

1. ☐ the sum of Tanzanian Shillings _____ (TZS _____), receipt of which the Creator acknowledges; and/or
2. ☑ the remuneration and benefits received by the Creator from the Company in connection with the Work and the Creator's role in the Company, which the parties agree is full and adequate consideration; and/or
3. ☐ other: _____.

5. Assignment of copyright

5.1 The Creator hereby assigns to the Company, absolutely and with full title guarantee, all Economic Rights and all other intellectual property rights in the Contribution and in the Work, throughout the world, for the whole term of copyright including all renewals, extensions and reversions, and including the right to sue for and recover damages for past infringements.

5.2 To the extent that any part of the Contribution was created under a contract of employment with, or on commission from, the Company, the parties confirm that the Economic Rights in it vested in the Company from creation in accordance with the Copyright and Neighbouring Rights Act, Cap. 218, and this Clause operates as confirmation of that vesting.

5.3 The Company may register, license, assign, adapt, translate, modify, combine with other works, and exploit the Work in any manner and medium, now known or later devised, without further consent of or payment to the Creator.

5.4 Any part of the Contribution that cannot be assigned under applicable law is hereby licensed to the Company exclusively, irrevocably, worldwide, royalty-free and for the full term of protection.

6. Moral rights

The Creator retains the Moral Rights that the law does not permit to be assigned. The Creator agrees (a) to be identified as the Creator of the Contribution in the COSOTA register and in formal documentation, and (b) not to assert any Moral Right so as to prevent or restrict the Company's modification, adaptation, translation, combination or exploitation of the Work in the ordinary course of its business, and waives any such right to the extent permitted by law.

7. Warranties

The Creator warrants that: (a) the Contribution is the Creator's own original work, except for third-party material identified in writing to the Company; (b) the Contribution does not infringe the copyright or other rights of any person; (c) Creator has not previously assigned, licensed or encumbered any right in the Contribution and has full power to enter into this Agreement; (d) to the Creator's knowledge no other person is entitled to claim authorship of or rights in the Contribution; and (e) the information given in this Agreement and in the COSOTA application is true.

8. Confidentiality

The Creator shall keep confidential, and shall not use or disclose except for the Company's purposes, all non-public information about the Work, its source code, configuration, keys, data, users and business plans, during and after the term of this Agreement.

9. Further assurance

The Creator shall, at the Company's request and expense, sign all documents and do all things reasonably required to register, confirm, protect or enforce the Company's rights in the Work before COSOTA, the Business Registrations and Licensing Agency, or any authority or court in Tanzania or elsewhere, and hereby appoints the Company as attorney to sign such documents in the Creator's name if the Creator fails to do so within fourteen (14) days of a written request.

10. Identification as creator

The Creator shall be named as the creator of the designs and creative elements of the Work in the application for registration at the Copyright Society of Tanzania (COSOTA). The Company may use, reproduce, adapt and modify the designs, including changing colours, layouts, names and texts, without further consent.

11. Design materials

The Creator has delivered to the Company all design files, source images and fonts (or licences to them) used in the Work, and warrants that any stock material, font or icon used is either original or licensed for commercial use by the Company.

12. Governing law and disputes

This Agreement is governed by the laws of the United Republic of Tanzania. Any dispute arising out of or in connection with it shall first be referred to the parties' amicable discussion for thirty (30) days; failing settlement, it shall be referred to arbitration in accordance with the Arbitration Act, 2020 of Tanzania, by a single arbitrator sitting at **Dar es Salaam**, or, if the parties so agree, to the courts of Tanzania.

13. General

This Agreement is the entire agreement between the parties on its subject matter and supersedes any earlier understanding. It may be varied only in writing signed by both parties. If any provision is held invalid, the remainder continues in force. It may be signed in counterparts, each of which is an original. Notices shall be in writing to the addresses above.

IN WITNESS WHEREOF the parties have signed this Agreement on the date first written above.

SCHEDULE – Description of the Work and the Contribution

Title of the Work: Huru SMS

Full description: Huru SMS – Multichannel SMS and Web Citizen Information and Guidance System for Tanzania, version 1.0. A multichannel digital service through which any person in Tanzania asks a question in Kiswahili or English by SMS (the keyword HURU followed by the question, sent to shortcode 15054) or through a web chat, and receives a short, practical answer grounded in Tanzanian law, institutions, places and verified knowledge, with referral to nearby services and official contacts. The Work comprises the server application (PHP / Laravel), its database design, the web chat and public website, the administration panel, the written content in both languages, the visual designs, and the accompanying documentation.

Owner and applicant: HURU DIGITAL LIMITED

Version: 1.0 **Year of completion:** 2026 **Country of origin:** United Republic of Tanzania

Documents deposited with COSOTA: Innovation Documentation; System Design and Architecture (with screenshots); Source Code Listing (112 files, 7,991 lines, 188 pages); the source code archive.

Contribution of the Creator (summary of Clause 2):

2.1 The user interface designs and screen layouts of the web chat, the public website, the offline page and the administration panel, including their arrangement, colour scheme (green and blue), typography and icons.

2.2 The visual identity of the Work, including the logo, the application icon, the social sharing image and the installable application manifest.

2.3 The design of the SMS conversation: the structure and wording of commands, confirmations, warnings and help messages, and the rules for short replies on basic phones.

2.4 The persona templates that define the tone, behaviour and safety rules of the service per topic and language, and the structure of the instructions assembled for each reply.

2.5 The diagrams, figures and illustrations in the System Design and Architecture document and the presentation of the Innovation Documentation.

Other contributors to the Work (each under a separate contract with the Company): the author of the idea and written content; the creator of the designs; the developer of the software.
